

NJ Do Not Call list cannot be eliminated. Since I have signed up for the Do Not Call list I am no longer harassed daily by telemarketers trying to sell me something. Eliminating the list infringes on my right to not receive calls from telemarketers. I pay my phone bill and taxes and am entitled to block those types of calls if I see fit to. New Jersey residents are happy with the list therefore you have no need to touch it. I find there are worse things going on in this country right now that you should be concentrating on. Thank you.
